Foreword

One day a hush will fall, the footsteps of us all
will echo down the hall and disappear,
But as we sadly start our journeys far apart, a
part of every heart will linger here,
And the days of joys and sadness in the halls
of J. B. J.
Will live with us forever and be ever in our
praise.

Oh how our Alma Mater speaks to us! How sad its melodic words seem to be, but oh how true they are!

When we started school 12 years ago, life began to take on a new meaning for us. We were awkward and shy and at first school was a terrible thing to us. It took us away from our accustomed roaming and playing in a carefree manner. It seemed to deprive us of our only happiness. But after school became a part of our daily routine, we grew to like it. This inevitably happens when a person is taken from a self-centered environment and placed with others in the same plight. We loved school because we were eager to meet new friends and to grasp some unknown facts which were new to us. "Oh how wonderful it will be when I can read my own book," we thought to ourselves.

At this stage in our lives we were partial to no-one. We talked and played freely with everybody and anything. But as we grew older, we began to make up societies of our own. The boys would vouch never to talk to a girl and the girls would do the opposite. If only we could have been able to take a peek into the future! How silly our antics would have seemed.

We soon grew out of this stage and approached another. It was the time in our lives when we seemed to be awkward and out of place. It was at the time when we were finally growing up. Our hair always seemed to be out of place and between periods we would run to plaster it down with water. This was the period when Cupid's arrow seemed to strike the same heart every other week.

The last stage in our school lives came upon us very suddenly. It was in this stage that we developed into thinkers. We began to become more serious and aware of problems. We began to wonder what we were going to do when we got out of school. We had to decide on a future. Our lives seemed to be always on the go. This continuous hum-drum is a part of the present and will still be around when and after we graduate.

After graduation, we will go our own separate paths. Many will go on to further their education, some will take up jobs, others will be married, and still others will join the Armed Forces. No matter which of these fields we take we will always think back over our school days and compare them with what we are now. When we do this there will be a few laughs, a few blushes, and also a few lumpy throats. These memories will forever remain a part of us.

It is with this thought in mind that we the Seniors of "1956" publish this yearbook. In it we have tried to capture all the important events of our final year of school and have tried to present them in such a manner as to continue their place in our hearts as cherished and memorable occurrences.

To The Class of 1956

My personal opinion of a high school graduate is one who, first, has developed emotional stability and maturity and has formulated a proper set of values; second, has learned to get along well with other people and adjust to the group in which he finds himself; third, has developed the basic skills necessary to competent living and has a sense of the dignity of work; and last, understands and appreciates the American way of life and has also a proper perspective of world citizenship and a sense of individual responsibility toward others.

Congratulations upon your graduation and my best wishes for success.

Twelve years of schooling completed! Congratulations, seniors

This certainly is an achievement. An achievement, however, to what purpose? It is an achievement in preparation, not an accomplishment. Skills have been mastered, knowledge acquired, principles learned, ideas absorbed, habits developed, and ideals instilled, all, largely, for future use.

If you conscientiously assume the duties, obligations, and responsibilities of a citizen in a democracy; if you enter a trade or profession selected on the basis of your interests and ability, and are therein worthy of your hire; if your everyday living is wholesome and stable; if you discipline yourself to do the things you ought to do and leave undone the things you ought not to do; if you live not unto yourself alone but for others as well; then, and only then, can it be said that your education paid big dividends.

Your life will be the measure of the worth of your education. Let it be of great price.

J. B. J. High School finished their 1955-56 football season with three wins and six losses. The season began dark for us; we lost the first three games to Forbes, Cone. Twp., and Cone. Boro. The "Bears" fought hard under Coach Edward Szewczyk and came back to win against Penns Manor in the next game. The three following games were lost to Shade, Bedford, and Somerset. The season was ended by defeating Berlin and Meyersdale. Helping the Coach in his many duties were Louis Pike and Stanley Krupnick, assistant coaches. Joe Bertolini acted as captain for this year's team and Jim Gowarty represented our school as an alternate on the all-county team. John Griffith, John Mattie, and Harry Jacobs gave their services as managers. Graduating from the team are Joe Bertolini, Dave Morgan, Jim Gowarty, John Urban, Frank Mincek, and Doug Speigle.

Agile feet on

The 1955-56 Bear cage team proved to be ambitious and courageous. Although the squad was unpredictable at many times and lost all but one of their games, they displayed a poised, well balanced, sharp shooting unit. The Bears were exciting even in defeat; several of their games were lost by a few points. Starting out on the wrong foot, they lost the first fifteen games. This did not dampen their fighting spirit. In defeat they displayed good sportsmanship and always came back at the next team fighting hard. With great spirit and high hopes they came through and won against Shade Twp. in a great show of basketball ability. There were many other games where it was close and the opposing team had to fight hard to beat the Bears. It was hard going this season for the team but the future looks bright. Norman Peters, the team's able captain, and Paul Kossey are the only players who will be lost by graduation. With one junior and the rest sophomores and freshmen the team will not be inexperienced in varsity players. Mr. Stanly Krupnik was the hard working coach of this year's team and helping him was Mr. Joseph DeBlase, assistant coach. Taking care of the equipment were John Griffith, Ed Mash, Elmer Beeman, and Robert Benedict. These boys deserve a lot of credit for their work as managers.

Preparing for their roles as the basketball players of the future years at J. B. J. were the junior varsity players coached by Mr. DeBlase. These boys worked very hard and displayed great possibilities for the senior varsity.

of action and reaction.

As had our football and basketball teams fared, so did our wrestlers. It seemed that this was not the year for sports at our school and the wrestling team was no exception. Our boys were only able to win one match. That came at the hands of Portage. From the first match at Bedford to the last one with Everett the boys continued to work hard and practice diligently.

Most of the trouble which plagued our team was the lack of adequate experience. The backbone of the team was made up greatly of the underclassmen who are looking forward to greater things at J. B. J. Although they didn't do too well this year the boys have gained valuable experience which will benefit them in their later years at our school.

Coached by "Red" Horner, the boys practiced as true champions would every night. They worked doubly hard to try to improve their skills. This fact was evident even in losing as the boys never once lost their spirit and battled the opponent right "down to the wire." The Bears were captained by Don Zablotnev who hung up a creditable season by winning all but one of his matches. Art Gowarty was the Bears' co-captain.

After the season was over the boys participated in a wrestling tournament held at Everett. The boys also participated in numerous exhibitions before and during the season.

Handling the equipment and other important duties were the managers of the squad, Nick Fetsco and Billy Awten.

REX COLLUM

To make the 1956 REX COLLUM different than any previous edition, to provide a true account of daily life at J. B. J., and to render an enduring and meaningful yearbook for future years, were the goals toward which the editors of the REX COLLUM concentrated their efforts.

Enthusiastically and anxiously, the staffs headed by Paul Kossey, editor in chief; Dixie Stewart, literary editor; Judy Williams, art editor; Betty Williams, photography editor; and Don Brant, business manager, presented to the students, faculty, and alumni, for their approval, the classes, organizations, and selected groups of J. B. J.

Our theme was of a student of J. B. J. in his wrestling with exams, his hard fighting on the sports fields, his musical ability in the band and chorus, and his interest and participation in other school activities.

Of course we needed an advisor. We were very fortunate to find the person needed namely our art teacher, Mr. Cook. He was always available in times of need with his sure and true solutions. He also submitted many ideas which made our yearbook more enjoyable.

Every member of the staff had a part in making this book one which to cherish and to use as a memorandum of J. B. J. Our Alma Mater.

The Eagle, our newspaper is edited entirely by a staff of students under the sponsorship of Miss Le Comte. Members of the staffs were under the leadership of Barbara Tims and Betty Williams, co-editors; Nancy Bittner, sports editor; Marv Ann Fotta, news editor; Barbara Tims, feature editor; Betty Williams, art editor.

Most of the editions of the paper were mimeographed. The bigger issues, the Easter and Senior editions were printed by Schubert Press.

Betty Williams, Barbara Tims, and Miss Le Comte attended the Pennsylvania State Press Association Convention at Uniontown in the fall. The staff displayed much stamina during its annual subscription drive in the fall of the year. By the commendable response of the student body, the campaign was hailed as a successful endeavor.

From the first rough draft of an account to the checked copy ready to absorb printer's ink, each assignment was carefully considered to see that it had the essential qualifications of a good write up.

The news carried in the paper were all events of J. B. J. from Student Day to all the sports. The paper was then distributed to the students, and purchasers of ads, which help supply part of the large amount of money necessary to produce a paper.

Activities for the year included a Heart Hop, Valentine selling, and a presentation of "The West Point Story" to the student body in an assembly program.

All in all the staff had one of the most successful years in the history of the "Eagle".

STUDENT COUNCIL

The governmental body of our school is the student council. Their purpose is to better the school in education, sportsmanship and leadership.

This years officers were: Yvonne Shirey, president; Donna Lease, vice president; Dixie Stewart, secretary; Peggy Hammer, treasurer; Bill Landis, chaplain; and Patty Dellesandro publicity chairman.

On Oct. 14, 15, 16, Yvonne Shirey, Dixie Stewart and Mr. Kerekes represented J. B. J. at the State Student Council Convention at Beaver Falls Pa. We were very honored to have the West Central Association of Student Councils Convention at our school April 21 with Yvonne Shirey presiding as president over the convention.

The year's activities included selling ice cream, candy and school insignia merchandise. As usual the Student Council provided the tea at initiation of the National Honor Society.

NATIONAL HONOR SOCIETY

The aims and goals of the National Honor Society are to increase scholarship, leadership, sportsmanship, and the incentive to continue these three goals throughout their entire lives. Five percent of the Junior class and ten percent of the Senior class having a "B" scholastic average are eligible for membership. These students are then rated by six faculty members on the basis of leadership, character, service, and growth.

This years officers were as follows: President, Donna Lease; Vice President, Ruth Shaffer; Secretary, Lucinda Smally; Treasurer, Charles Neuhoﬀ; and Reporter, Yvonne Shirey.

Activities for the year included a weekly devotions program and initiation of new Senior members in the fall and Junior members in the spring.

Continuing its fame as a wonderful choral group our chorus gave its first performance, a minstrel, in January. The end men, girls sextet, dance bands, and soloists were the highlights of the program along with Mr. Cook, our art instructor who twirled with batons of fire. Most of the music was spiritual but songs like "Sixteen Tons" and "Without a Song" added a variety to the program.

After the minstrel, work was started for All-County chorus and the annual Spring Concert. Such numbers as "Oklahoma," "Muskrat Ramble," and "You'll Never Walk Alone" were used to highlight the program. Most of the music was made up of modern gems.

As usual, representatives were sent to All-County Chorus. They were: Nancy Bittner, Dixie Stewart, Nancy Lohr, Sandra Sheftic, Charlene Moors, Peggy Hammer, Joan Pronesti, Sandra Baley, Emogene Smith, Judy Williams, Joe Bertolini, Charles Neuhoff, John Griffith, Fred Sheftic, John Urban, Dough Spiegle, John Mattie, John Stoddard, and Harry Jacobs. Our school was very pleased to have the evening performance of the County Chorus at our school. We also acted as hosts to a day session of the mammoth group.

We were very fortunate to send to the District Chorus these four students: Joe Bertolini, Charles Neuhoff, Joan Pronesti, and Dixie Stewart.

to capture applause.

A new method was started this year to give awards to any member earning thirty points. This is based on the principal of grades, solo work, small group work, and representation at County or District chorus.

During the year different groups of the chorus sang for assembly and devotion programs. The girls sextet sang for the Somerset County School Board Members' meeting at Somerset in March.

When the seniors completed their years at J.B. J. some of the underclassmen sang for their graduation programs.

When the yearly programs were all completed, the chorus periods were used to sing for everyone's own enjoyment and to begin work to mold the chorus for the following years.

TRI-HI-Y

Pure thoughts, pure words, and pure actions," this is the slogan of the Tri-Hi-Y. This year began with an impressive installation of dependable officers, namely President, Helen Mills; Vice President, Charlene Moors; Secretary, Yvonne Shirey; Treasurer, Betty Vinosky; and Chaplain, Charlotte Patrick.

This year's activities included teas for the faculty, dances, skating parties, Hi-Y and Tri-Hi-Y party, and selling peanuts. For the benefit of others they sent clothing abroad and visited the Childrens Home in Somerset.

Convinced that Christianity's vital message is relevant to every phase of high school life, this organization of 30 members is more than a club. Its program of worship, study, and action is used to show inquiring students how Christianity forms our total way of life.

F. H. A., Future Homemakers of America. The name definitely implies the aim of these senior high girls. During the early minutes of their classes they hold meetings. The officers of the club are: President, Olga Malinsowskey; Vice President, Helen Staut; Secretary, Marian Shields; Treasurer, Freda Gohn. After the meeting is over they devote the rest of the period to sewing, cooking, or learning to care for the home. Throughout the year they go on field trips, participate in sewing and cooking contests at other schools, and serve as hostesses at various banquets in the cafeteria. In the spring they hold a tea for their mothers.

Under the leadership of Mrs. Hooper the girls gain the full knowledge of being good homemakers and fulfill their purpose of living better today so that their lives may be better tomorrow.

The Library Club is maintained with the purpose of keeping the books in proper order, filing cards, and keeping the magazines in good condition and up to date. This work will be useful to the members in their search for the knowledge of correct means of keeping books.

In the club are fourteen members led by these officers: President, Dick Smith; Vice President, Nancy Blough; Secretary, June Berkey; Treasurer, Kay Mitchell. The advisor was Mrs. Foster, the librarian.

Their activities for the year included a social party, a Christmas party, and a Senior party.

Because of the enthusiasm and co-operation of the members of the club, the library is in good condition and is well organized. We, the student body and faculty are grateful to those responsible for the excellent condition and cleanliness which is always found in our library.

Under the able advisorship of Mr. LaVigne these boys spent many long hours on their projects. The boys worked very enthusiastically whether in the shop or out in the fields.

The seven senior boys assisting Mr. LaVigne in this organization are Larry Reese President; Robert Walker Vice President; Bill Lint, Secretary; Dave Coleman, Treasurer; James Sowerbrower, Sergeant at Arms; and Richard Moravicz, Reporter.

Although these boys work hard they do not work all of the time. At the beginning of the year they took time out for the annual initiation which was enjoyed by everyone. Initiation was followed by a steak fry and then in hunting season they had a larger game supper. The game being contributed by the boys. In January the whole group went to Harrisburg for the State Farm Show. There the boys saw the latest farm machinery as well as livestock and other things to make farming easier.

During the month of January the boys formed an excellent basketball team with Larry Reese as Captain. They won every game beating schools such as Conemaugh Twp., Stonycreek and J. B. J.'s own Junior Varsity Team.

Herb Eppley was chosen to represent J. B. J. at the annual F. F. A. Conference. While there, he was very fortunate in being elected Secretary of the Somerset County F. F. A. All in all this group has learned a great deal about farming.

DRAMATICS

Lights! Curtain! Action! Although J. B. J. does not have an organized Dramatics Club, they are not to be undersold in their ability to present spectacular dramatic productions. Under the directorship of the Junior and Senior Class sponsors, our students have presented successful and enjoyable plays during the year for the enjoyment of their fellow student and townspeople audiences.

First of the memorable productions of the 1956 year was the Senior Class Play, "Double Exposure," under the direction of Mrs. Nora Mac Murphy. Ably assisting Mrs. Murphy as student director was Barbara Tims. Never will we forget the howling reaction of the audience to the clever antics of the cast of "Double Exposure."

The Junior Class play, "We Shook the Family Tree" showed the rest of the school that they too, were interested in dramatics and in doing a job for J. B. J. of which an audience could be proud.

Varsity Club

The Varsity Club under the sponsorship of Mr. Szewczyk, elected the following as its officers: Dave Morgan, President; Frank Mincek, Vice President; Paul Kossey, Secretary; Jim Gowarty, Treasurer.

With these boys showing the way, the club, which is made up of lettermen, started out on a year which had many activities. The club sponsored intra-mural basketball, softball, and track. To the winners of these tournaments the club presented trophies. The club also purchased a juke-box which was rented to classes and clubs for dances and parties. This along with the sponsorship of the "donkey basketball game" was the main money making project of the club.

As the above implies, the Varsity Club was very active in school activities and should be commended for its work.

Nature Club

Our outdoor lovers are the students composing the nature club. Their purpose is to promote a more thorough understanding of our natural surroundings and to impress the students of the great need for conservation practices.

When the weather permitted they went on hikes and field trips, searching for rare snakes, insects, and plants. By going out and searching for these specimens they gained more than can be found in classroom discussion. When mother nature added excessive moisture of some form, the members stayed indoors, saw movies, read books, and had class discussions.

This club under the leadership of Mr. Hackett was lead by President, Archie Roberts; Vice President, Alan Reffner; Secretary-Treasurer, Hillard West.

CURRENT EVENTS

The purpose of our Current Events Club is to bring into focus the highlights and to give clear interpretations of the news today. This makes it possible for every member to grasp and to remember significant trends, movements and events on contemporary issues. All problems are treated in a specific, practical fashion.

Topics that were discussed in meetings throughout the year were:

- (1) All current events brought to the public on Dave Garroway's program, "The Wide, Wide World."
- (2) President Eisenhower's Future political Plans.
- (3) Importance and development of the ballistic missiles
- (4) The spread of democratic ideals—the threat of Communism.

TRAVEL CLUB

Faraway places are brought very near to the junior high members belonging to the Travel Club. By seeing movies, reading books, giving reports, taking field trips (weather permitting) and writing exchange letters, these members were able to obtain first-hand information of other countries and their customs.

They also learned more about our locality participating in classroom discussions and reading clippings from the newspapers. The information gained in this club proved very helpful in history and geography.

The members were under the direction of Mr. Krupper with Bernard Blamble, president.

With the money collected from dues the members took a trip in the spring, thus adding to their knowledge of the historical sights in Pennsylvania.

Y-TEENS

Y-Teens is a junior high girls club with a three fold purpose, service, religion, and social ability.

The officers leading the members under the direction of Miss Davis are: Darla Borelle, president; Donna Hunter, vice-president; Helen Cannon, secretary; and Dixie Thomas, treasurer.

The social activity of the year was a Winter Wonderland Dance for the junior high students.

With the purpose of helping others, the members prepared a box of clothing at Christmas and gave it to an orphanage. Also they sent money to the Crippled Children's Hospital in Pittsburgh.

The weekly activities of the club included classroom discussions and programs. Their purpose was to make girls have higher ideals and purposes of life.

The main purpose of helping others was fulfilled for this year. The closing activity was a banquet for the members in appreciation for all their time and efforts.

CHEERLEADING CLUB

Cheerleaders are chosen the second semester by a group of judges representing the faculty. Selections are based upon performances in leading cheers, an interest in sports as shown by outstanding spirit, and ability in cheering. Candidates for the squad are ninth graders but the club is open to all junior high students. Those selected will cheer at the junior high events and will later become senior cheerleaders.

With Mr. Kistler to lead them along their way, because this group does not elect officers, they learn the fundamentals of music and finally, the intricacies of good musicianship.

One hundred and two pairs of footprints began to make their impression on J. B. J. on September 8, 1953, when the Class of 1956 arrived in senior high. As sophomores they sold school sweaters and Christmas Candy. Several of the boys entered the field of sports while the girls led them on to victory as cheerleaders.

The first production as a class was the junior play "You Can't Take it With You." Then they sold Christmas Candy, Magazines, and sponsored the "Winter-Spring Carnival."

The next event was the traditional prom for the seniors. The theme was "Satan's Ball" with fire red decorations.

The sand had run two-thirds of the way through the hour glass and this was our senior year. We realized it would be full of work and fun, too.

The Senior Class play "Double Exposure" was the first big event of the year.

Now our days were drawing to an end. We worked hard and had a wonderful "Class Day" exercise. The prom, "Fantasia" sponsored by the juniors was very beautiful. Finally came graduation, the day we waited for so long. Some of us planned to go on to college, others applied for jobs, some joined the Armed Forces, but none of us would forget the memories of J. B. J.

Junior Class

Wow, has this been a busy year!" "The busiest one yet, that I can remember!" These might well have been the comments of some members of the Junior Class this past year—for it was, indeed, a busy year for them. The class was fortunate in having very capable officers to see them along their way.

The officers were

Jerry Krause	President
Dixie Stewart	Vice-President
Wanda Kowalezyk	Secretary
Penny Wiener	Treasurer

If we were to start at the beginning of the year and enumerate the activities which have kept these students busy, we would find they ran something like this:

On October 13, the class sponsored a skating party at Latrobe Roller Rink which was the first one of the year. It was the spark which sent the

class enthusiastically through the rest of their activities.

The class then set a record when they made more money than any other previous class in the sale of magazines.

Being the adventurous type, the class then tried something else which had never been done before. On Dec. 8th they held a square dance which proved to be such a success that they held a second one on the 3rd of April.

The Christmas dance on Dec. 27th and the Jr.-Sr. Prom on May 18th will long be remembered as two of the "best" dances at J. B. J.

On March 9th, the auditorium was the scene of mirth and laughter as the juniors enjoyed themselves with their production of "We Shook the Family Tree."

Yes, a busy year for the Jr. Class and their advisors: Mrs. Whitaker, Miss LeComte, Mrs. Allen and Mr. Cook.

Ambitious Juniors prepare for the Annual Christmas dance. Standing—K. Repko. Left to Right—J. Budzina, J. Williams, P. Hammer, L. Friedman, J. Davis, J. Holsopple, G. Crayle.

Sophomore Class

The Sophomore Class started their year by electing its officers. Sandra Raley was elected as President. She was ably assisted by Wendall Berkey, Vice President; Kay Knupp, Secretary; and Wilma Fetcho, Treasurer.

This was the first year to participate in money making projects. Though their treasury is small, they hope to build it up for the coming activities in their Junior and Senior years.

The class started out this year of activities by sponsoring a Football Dance on Nov. 14. A king and queen were chosen to reign over the 1955 football season. Second in their events was a dance held after the Rockwood basketball game. A large crowd attended this dance.

The Sophomore Class has been very active in the extra curricular events having two varsity cheerleaders and six majorettes. Their contributions to the athletic events include lettermen in football, basketball, wrestling, and track. Ten girls of the class were selected to join the Tri-Hi-Y. Sophomores also attended All County Band and Chorus.

The class sponsored an assembly on February 2nd featuring some of the talent of the class. In December they held a skating party which was one of the better attended functions of our school year. Although they were limited in many fields they were a very active class and showed great prospects for the future years at our school and our community.

Freshmen

The Freshman class is composed of 106 members. The advisors of the class are Miss Davis, Mrs. Lundquest, Mr. O'Connor and Mr. Chervenak.

Class Officers:

President	Stanley Mincek
Vice-President	Aloysius Stedina
Secretary	Madeline Palazzi
Treasurer	Robert Mahl

Since this class is prohibited from having any fund-raising activities, each member contributes 25c to have in the class treasury for emergencies. The only activity the class had was a Jr. High Dance in co-operation with the other two classes.

This class is well represented in extra-cur-

ricular activities, and if I may insert here, I would like to say that this group will have a few stars in the line of athletics within the next three years.

Not only in the field of athletics do the 9th graders shine, but in a variety of other areas as well. There are a large number of the class who are members of the school band. The fact that they belong is a sign that they are capable and earnest workers.

The 9th grade is also noticeable at the athletic events in the form of the cheerleaders from the class. They have held many activities successfully during the year, such as parties and field trips, which seems to indicate they will become a better class.

At the point where they are not really permitted to participate in activities of the Sr. High variety, but where they are very enthusiastic and interested in school events, are the eighth graders. However, because these people feel the need for organization, early in the year they elected the following officers

Diane Gowarty
Joe Hoffman
Bill Walker
James Truscott

President
Vice-President
Secretary
Treasurer

To help the eighth grade and offer them advice were their able advisors Mrs. Mishler, Mr. Shaffer, Mr. Krupper, Mr. Dwral

Among the activities of the eighth grade was a special assembly on March 22 presented by a section of the class for the whole Junior High. Everyone enjoyed the Quiz program, talent show that showed these students are going to make an exceptional group for the Senior High. The final activity of the class was their party in the gym on April 20, where dancing, eating, and a good time for all seemed a fitting ending for the school year

These seventh graders have a long hard road ahead of them but along with their work there is fun and pleasure. Leading this seventh grade class on their way to graduation are: President, William Thomas; Vice President, Dixie Patrick; Secretary, Carolyn Blough; Treasurer, Shirley Lazier.

During the school year they planned three big events. They were: a Christmas party, a spring skating party, and a big spring dance.

The boys of this class will be our future football and basketball players. The girls will be our majorettes and cheerleaders. Many will join the band and chorus and use their musical talents. Others will be leading the student governing body of tomorrow.

What this class makes of itself is what our school will be in the future years. We will soon be leaving the school in the hands of these seventh graders. It may seem like a long time away but time will fly and soon they will be planning for their own prom and editing their own yearbook. Some of the best years of their lives are ahead of them at J. B. J.

Much credit is due to the capable advisors of this class. They are Mrs. Bucior, Mr. Hostetler, Mr. Federick, and Mrs. Thomas. The advisors have started these boys and girls on their own way. They may have other advisors in the years ahead but their first advisors will make the biggest impression, for they have started these seventh graders on their biggest venture of their young lives.

School Calendar

We have tried in our book, to present to you our life as students at J. B. J. Our life is such a full one that it has been hard to cover everything completely. Not only are there so many events that recording all of them would be impossible, but the weakness of the human mind has caused us to forget many things—happy moments which we will only remember in future years when some little incident causes us by association to recall "the time when . . ."

In a last effort to make our yearbook as complete as possible, we are recording for you our calendar of the year 1955-56. Look through these final pages and see all the activities to which we were carried by our ever busy feet—accompany us as we show you some of the snapshots we took along the way.

Class History

The class of '56" has built a stairway to success with each member about to open the door to the future. Each year of high school was one step closer to the top, but first let's pause before we open that door and look back to the time when we were standing at the foot of our stairway.

In September, 1953, we were a group of freshmen—"greenies" they called us, but it didn't take us long to outgrow that name. First of all we elected our class officers—Douglas Speigle, Dave Coleman, Blanche Gowarty, and Arlene Weimer. We also broke into the sports field with several outstanding players. Cheering our boys on were Nancy Benedict, Joan Pronesti, and Betty Vinosky. Our one accomplishment that won the respect of the upperclassmen was the success of our luncheon.

The next year we reached another step in our stairway. Elected as our sophomore officers were: Neil Maurer, Helen Mills, Paul Kossey, and Joe Bertolini. Money making projects during this year were the selling of school sweaters and Christmas candy. Yvonne Shirey, Elda Zanoni, Beverly Kimmel, Andrea Ridella, and Barbara Niemiec were chosen as majorettes. Before we knew it we were ready to take another step toward the top.

Our junior year found many activities on the agenda. Before we could go ahead with any plans, we needed a leader. The class elected Donna Lease as president, with Barbara Tims, Ray Hunter, and Karen O'Baker as her assistants. First we sold magazines and Christmas candy. This didn't go over as well as we hoped, but we didn't have time to brood because the next thing

we knew we were practicing for our junior class play. This gave the actors and actresses of the class a chance to shine. Our play was entitled, "You Can't Take It With You," a three-act comedy, which was a big success. As soon as the play was over, we were busy making plans for the Spring Carnival. The last and biggest project of the year was the prom. For our theme we chose, "Satan's Ball," with the gym looking like—I well! you know what I mean! Now we were getting anxious, ready to climb that last step.

Our big year arrived at last! We were seniors and at the top of our stairway. For the second time we elected Donna Lease as class president, with Helen Mills vice president, Mary Jo Riggs treasurer, and Barbara Tims, secretary. Our big event was the senior play, "Double Exposure." Mary Jo Riggs, Donna Lease, John Griffith, and Neil Maurer were the leads. The class went all out to sell tickets to the play. This was our best money-making project. Next, the chorus was busy preparing for their minstrel and Spring Festival. Senior pictures and name cards were given out to our friends. We got our rings about this time too. Then came a day to go down in our class history! On February 22, Helen Mills was selected as Queen Maple IX. Our class certainly was proud of her, for this was the first time J. B. J. ever had a queen chosen. Graduation announcements, the senior banquet, the prom, class day, and finally graduation! Yes, now we can open that door to the future with confidence, because we, the Class of "56," have climbed our stairway to success.
